# Parent Hour Form

The school cannot achieve success without active parent participation. Parents are encouraged to actively participate in volunteer opportunities through involvement in HEART Club, fundraising events, campus improvement, and support of club and sports events. Parents are requested to complete service hours throughout the school year (July –May).

Each two-parent household should fulfill an annual commitment of 40 hours.
Each one-parent household should fulfill an annual commitment of 20 hours.

Authorized purchases for HEART Club supplies can be used in lieu of a portion of the parent hour commitment. Prior authorization from the HEART Club President is required. In this instance, each $10 spent will equal one parent hour. Receipts are required and should be attached to the parent hour form.
