February 20, 2008

Dear Parents,

PEACE AND ALL GOOD!

Valentine's Day was really celebrated this year. There were buddy get-togethers and the school had its first candy-gram sponsored by the 8th grade class. I want to thank all of you that bought the candy-gram. The students really enjoyed getting a special valentine. The Middle School Social was successful. The students were well behaved and we had plenty of chaperones. Many thanks to Dena Curbelo for organizing the event.

I want to thank all the parents who volunteered in the MOSI field trip on Tuesday, February 19th, the students had fun and arrived to school safely.

Re-registration forms are slowly returning. These are due by February 29th. Please get them in on time. Make sure if you are doing the 10 month installments you have to fill in the FACTS paperwork. Scholarship forms are on the way. I am still waiting to receive these from the Diocese, F.A.C.T.S. and grant aid.

It's not too late to contribute to the Annual Fund. We have a little over \$5,000. There have been lots of improvements done on the gym already. Every little bit helps.

This Saturday, February 23rd, is a school parent work day. There are many of you that still owe parent hours. This is a great opportunity to get these hours completed. I want to thank all of you that have your parent hours up to date. Your help has been an asset to our school.

God Bless You.
