May 1, 2008

Dear Parents,

Peace and all good!

We witnessed a spectacular performance by our drama club last Friday night. The setting was our beautiful campus under the huge oak trees. The play *A Midsummer's Midterm* by William Shakespeare was well attended. We are all very grateful for Ms. Lori and her tremendous effort in getting the students to learn their lines, getting their beautiful costumes ready and supplying the sound system. She has been outstanding in all that she undertakes. I am very appreciative to Mrs. Curbelo who provided the audience with the refreshments that were sold to sponsor the play.

This Sunday, May 4th we will have our school mass at the church at the 9:00am mass. Immediately following will be the May crowning. We encourage all of you to attend. The students who received their First Communion on Saturday, are encouraged to attend with their Communion outfits to be part of the May procession. Let us all honor our Blessed Mother and come to such a special event.

Please be sure to look closely at the May calendar. There are many events that happen in May and we want all of you to be informed. Thank you for your continued support in everything that you do.

Yours in Christ,

Margaret Ruiz-Carus
